Courtney: See my email below to Eugene Cassidy and his nasty obnoxious sarcastic remark. Is there nothing you can do for the Commerford animals?

Greetings [REDACTED]

Lovely. She's taking a little rest with her friend.

Beulah is a doll. I've spent a great deal of time with her, and she behaves like golden retriever sometimes, except she weighs about 12,000 pounds!

How'd you like having her snuggle-up to you on the couch?

Thank you for sharing!

Have a great evening.

Oh! And you'll notice my name and contact info hereon.

Are you afraid to share that same information with me?

I dare you to.

This is heartbreaking, don't you think? Or haven't you have a heart? You must make quite a lot of money off of Commerfords to allow this kind of thing on your fairgrounds. This is horrifying! And don't say that this is normal behavior. Elephants lying on their sides like this puts a strain on their organs and their breathing becomes labored. Put a stop to this now.
